

# AMITY GLOBAL INSTITUTE

## MODULE SYLLABUS

Course	Master of Arts Creative Business Management Awarded by University for the Creative Arts (UK)
Module Title	International Finance, Accounting and Reporting
Module Syllabus No. (if any)	ECBM7001
Content	The aim of this unit is to further develop your knowledge and understanding of management accounting techniques and to support management in your planning, controlling and decision making both within industry and within the service sector. You will acquire knowledge and understanding of the accounting practices associated with creative business combinations, capital reconstructions and foreign currency translations for individual companies and groups of companies. You will be able to appreciate the role and importance of accounting information in assisting decision-making in a creative business context and to undertake the work involved in the recording, processing, summarising and reporting phases of the accounting cycle.
No. of Teaching Hours	36hours
Teaching Methods	Lectures, workshop, presentations
Assessment Methods and Weightages	100% coursework
Skills for Maximising Learning Outcomes	Reading and Research
