## MODULE SYLLABUS

Course	Postgraduate Diploma in Business Administration (Accountancy)
Module Title	Organisational behaviour and human resource management
Module Syllabus No. (if any)	BAM040
Content	This module provides an understanding of key theoretical and practical issues relating to organisational behavior and human resource management. Human resource knowledge from this module can be applied to different external contexts impinging upon organisations around the globe, yet managers need to adapt their internal organisational behaviours to deal with them. The module is best suited to those who wish to develop a reasoned and analytical understanding of human behaviour in organisations. This module aims to develop knowledge and understanding of how organisations behave and how they manage their people. It aims to provide students with the ability to lead people more effectively to enhance organisational performance. The module will critically analyse the purpose of HR within organisations and how strategic and successful HR policies are implemented.
